

**Need-based Scholarship Application for Summer Kids and Teen Arts Fusion Workshops**

The Wexner Center for the Arts strives to offer the most affordable, yet intensive, summer arts workshops for youth and teens in Columbus. Tuition for these workshops is among the lowest in the city. However, we understand that some families are bound by many financial obligations, which would prevent them from participating in our summer program without scholarships. A **very limited number of scholarships** are offered each summer. Please submit this application **only for students who otherwise could not take any workshops** during the summer, **not** simply to reduce the cost of taking multiple workshops or activities.

Scholarships will be granted to applicants subject to availability. We are unable to offer more than one scholarship per student and cannot guarantee each student his or her first choice of workshop.

Please e-mail [edweb@wexarts.org](mailto:edweb@wexarts.org) or call (614) 292- 6493 for instructions on submitting this application. Once you have completed and mailed or e-mailed this form, along with additional attachments, look for a confirmation by e-mail to verify that you are enrolled in the workshop. We must receive all required materials before considering a student for a scholarship.

**TRANSPORTATION and ATTENDANCE CONTRACT**

I agree that the above student has my permission to attend the workshops selected above. I understand that two criteria for receiving the scholarship are that the student must have transportation to and from the workshop and must be committed to attending the week-long workshop for its duration. I agree to be responsible for arranging the student's transportation to and from the workshop and to notify Wexner Center for the Arts promptly if the student is withdrawing from the workshop, so that someone else may be granted a scholarship.
